MEMORANDUM FOR: Director, Office of Current Operations

FROM:

Bruce T. Johnson

Director of Jaca Processing

SUBJECT:

Data Transfer Support

REPERENCE:

Your memo, Sti. 26 June 1980, same subj. Memo from S/OL to S/OCO, dti. 15 July 1980,

same subj.

- assistance in transferring RANTI data from VM to ETECS. We have received a copy of the Director of Logistic's reply, expressing his cooperation in this endeavor. Please be assured of our willingness to assist you in establishing an effective mechanism for moving your data. We have been working for some time on special facilities to accomplish data transfer between these systems.
- 2. I am assured by my staff that your requirement implies no significant additional technical effort, although procedures for using these facilities should be coordinated with OL/Pape and our Systems Programming Division.
- 3. We have already been in contact with individuals from the Publications and Presentations Group, and will work with them to establish an effective link. Please contact Chief of our Systems Programming Division on extension 4311 if you need additional information.
